

Trekkers

afterschool@longviewheights.org

A checklist of the required documents and fees is provided below. To apply for a place in the program, parents should submit the official registration form and the \$40 application fee. The application will be reviewed, and if a space is found for your child, you will be notified via email. In the event that all available spaces are filled, parents will be given the option to place their child on a waiting list until space is available.

All school-age children — kindergarten through sixth grade — attending Trekkers must be registered with the program director. Unregistered children may not attend.

Before attendance is permitted, all forms must be completed and returned to the program coordinator.
