

Welcome Home! As you browse through our Directory, we trust that you will strongly consider joining a class if you have not done so already. If you are a parent, please remember that it is very important to encourage your children to attend Sunday School. We have classes for all ages, ranging from bed babies to senior adults.

Specifically for adults, we have classes for singles, coeds, couples, men and women. **Sunday School is about people!** Within this brochure are names of teachers who are investing their lives for the kingdom, going the second mile on a regular basis and faithfully serving to provide meaningful Bible study and learning opportunities for you and people of all ages. You are welcome to visit a class where you can study the Word of God and meet new people! Longview Heights Baptist Church is honored by your presence today and I pray that God will lead you and your family to plant your lives in kingdom building!
